13th May 1901.

From The Principal,
Central College, Bangalore

To The Secretary to the Govt of Mysore,
Genl & Pev Departments

(see file / in hand)
Sir, With reference to this Office No 308 dated 14th January 1901 proposing arrangements for Mr Tait's work during his absence and to Government Order No. 9375-6/Pd.34 dated 25th January 1901 sanctioning the same temporarily and with reference to my No 588 of this date submitting a further request of an extension of furlough of six months to Mr Tait, I have the honor to submit the following proposals in view of Mr Tait's prolonged absence

- 1 That the present arrangement shall continue only to the end of June next, as Mr Venk teshacher is a candidate for the approaching Mysore Civil Service Examination and will require at least a month's leave prior to that Examination which begins on 5th August 1901
- 2 When I proposed temporary arrangements for the Science teaching it was in the expectation that I should resume my teaching about the middle of July at the latest when Mr. Tait would have returned. But now that he will not be returning till the middle of January next it is highly desirable that a more permanent arrangement should be made, so that I may take up the Science teaching from the beginning of July and some satisfactory English Professor may be appointed to take up Mr Tait's English work
- 3 This is all the more necessary as Mr Leonard has more than once been on the point of collapsing physically of late and I feel that I cannot expect him to do as much English work in connection with the High School, especially the articulation class, as I should like

3

It would be therefore highly desirable that the Government should have, in this the largest of its Colleges, another European Graduate specially qualified to teach English subjects, young and energetic. There is not one of the local graduates in the Mysore Educational Service that I consider able to teach the B A classes in English. I beg therefore to advise that the vacancy existing at present in Class III of the Educational Department (Rs 400 rising to Rs 700 by annual increments of Rs 50) should be filled up by the appointment of a European Graduate having the qualifications stated above, and able to take up the English teaching in this College as from 1st July next.

The Mysore College is well liberally officered in the matter of Europeans as is the Central College, although the numbers in attendance there are so very much smaller. Moreover the Central College is the only First Grade College in Bangalore where very frequently European students whose Optional Language is Latin or French and who are obliged to go without teaching in those languages. If we had another European Graduate he would be able to give such students assistance with their Optional Language and therefore fill a very obvious blank in our present equipment.

I believe it might be quite possible to get such a Graduate for the College if the Government will give its early sanction to my proposal.

I have the honor to be,

Sir,

Your most obedient servant,

Principal

Sir,

I have the honor to inform the Government that Mr. C. M. Leonard has submitted a Medical certificate and requested that leave may be granted for one month from the 23rd inst. inclusive on the Medical certificate. As the College will be closed on account of the Dasara Holidays from the 17th to the 27th October inclusive I fear that Mr. Leonard cannot rejoin duty on the 23rd proximo even if he is able to do so.

As there is no one on the Staff to whom I can assign his work viz., the teaching of half of the English of the F.A. and B.A. classes and it is quite impossible for me personally to do more teaching than I already have, I am left in a dilemma at a most important time of the year. The Senior B.A. Second Term Examination for the present year is arranged for the 10th to 16th October and there is no one to take ~~the~~ share of the English papers which would have ordinarily fallen to him.

It is absolutely necessary that in a large First Grade College like this there should be another English Graduate and I trust that the Government will have the goodness to sanction the appointment of a young, vigorous and well qualified English Graduate to strengthen the English side of our teaching, which the University results show to be specially weak.

It is quite impossible for me to get a properly qualified European to take up ^{Mr. Leonard's} F.A. and B.A. English work on a day's notice, and for merely a few weeks, and to fill his place for such a short time with an unqualified man would be practically useless. The English teaching

Sir, ^{x SL 1105 of 12 file}
With reference to my letter No.180 dated 8th October 1901 intimating that, as a special case, I had with the consent of the Dewan obtained the services of Rev G C Walker, B A , for assisting with the English teaching of the College classes (I have the honor to report that He began work on Monday the 7th of October 1901 and as he is setting and will examine four sets of papers for the Junior B A. and Junior F.A classes he may be considered to be continuing his assistance with the English at least to the end of the current month of November. I may add that during the Dasara Holidays Mr Walker corrected some English papers which should have fallen to Mr Leonard.

I have the honor to suggest to the Government that he should be paid an honorarium at a fairly liberal rate and would suggest a lump sum of at least Rs600/- should be paid to Mr Walker for the English assistance rendered by him during the months of October and November, which has been entirely to my satisfaction

Requesting that the Government may be good enough to pass orders as to this matter at an early date

information re the employment of Revd F.C.

the Education Department without
obtaining the sanction of the Govern-

that the arrangement in question

was not regarded
as the employment
of Mr. Walker in the

was one of voluntary
and honorary assistance
on the part of Mr. Walker
at a time when, on
account of the

of such help.

merely involved service of an
honorary character enlisted at a time

Mr. C.M. Leonard, who was Professor
of English in the College died some-
what unexpectedly about the end of
September. There was no time to make
regular arrangements for his work in
the College Classes being carried on
without a break. The Principal of
the College prevailed upon ^{Mr.} Revd. Walker

The assistance rendered
